Four-bedroom Apartment

220 m² Lisabon, Portugal

1542800€

Layout Four-bedroom

Area 220 m²

Land 800 m² Balcony

9 m²

A spacious 4-bedroom duplex with a balcony located in a residential building where original architecture meets modern technology. The residence features its own indoor pool, sauna, gym, and a quiet garden.

In your apartment, you will find a living room with a kitchenette, 4 bedrooms, 3 bathrooms, and a storage room - pantry. The unit comes with 3 parking spaces.

The building is located less than 1 km from the Lisbon University campus and Santa Maria Hospital. Nearby, you will find numerous shops including the famous Campo Pequeno shopping center. The location is excellently served by public transportation options from metro and buses to easy access to the airport and the A5 motorway and Eixo N-S.

You will have all the amenities of urban life within reach, and you can find peace in the midst of the greenery of Lisbon's Central Park.
